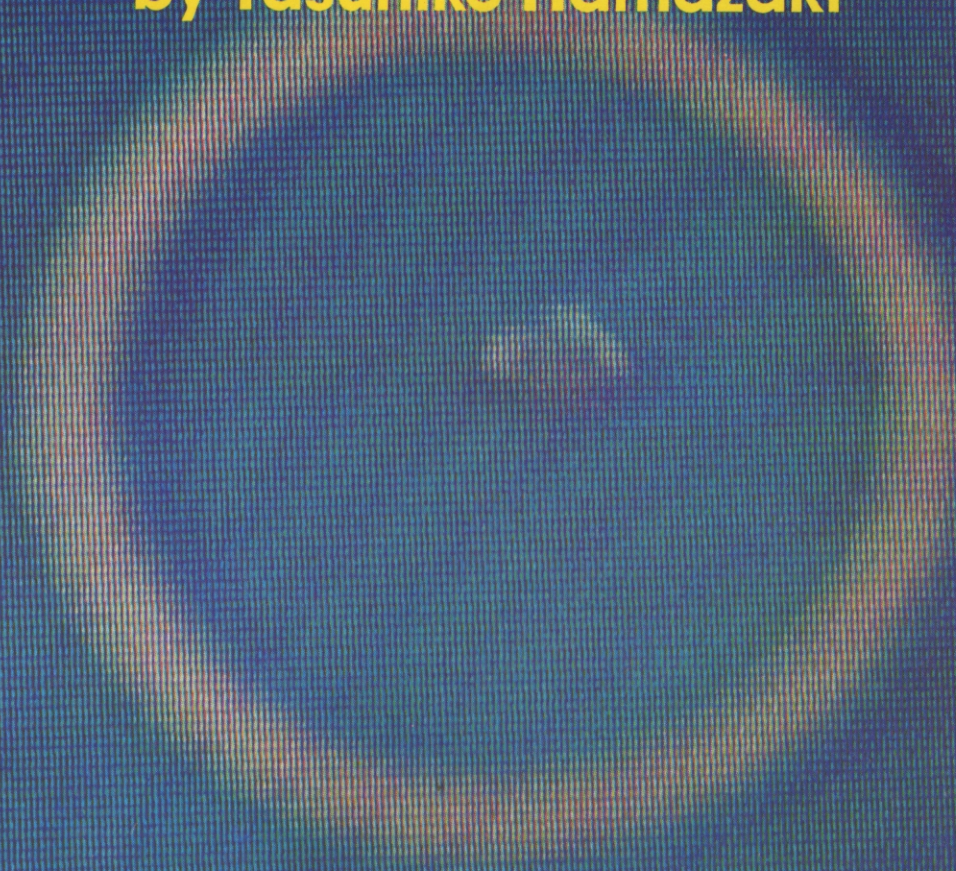
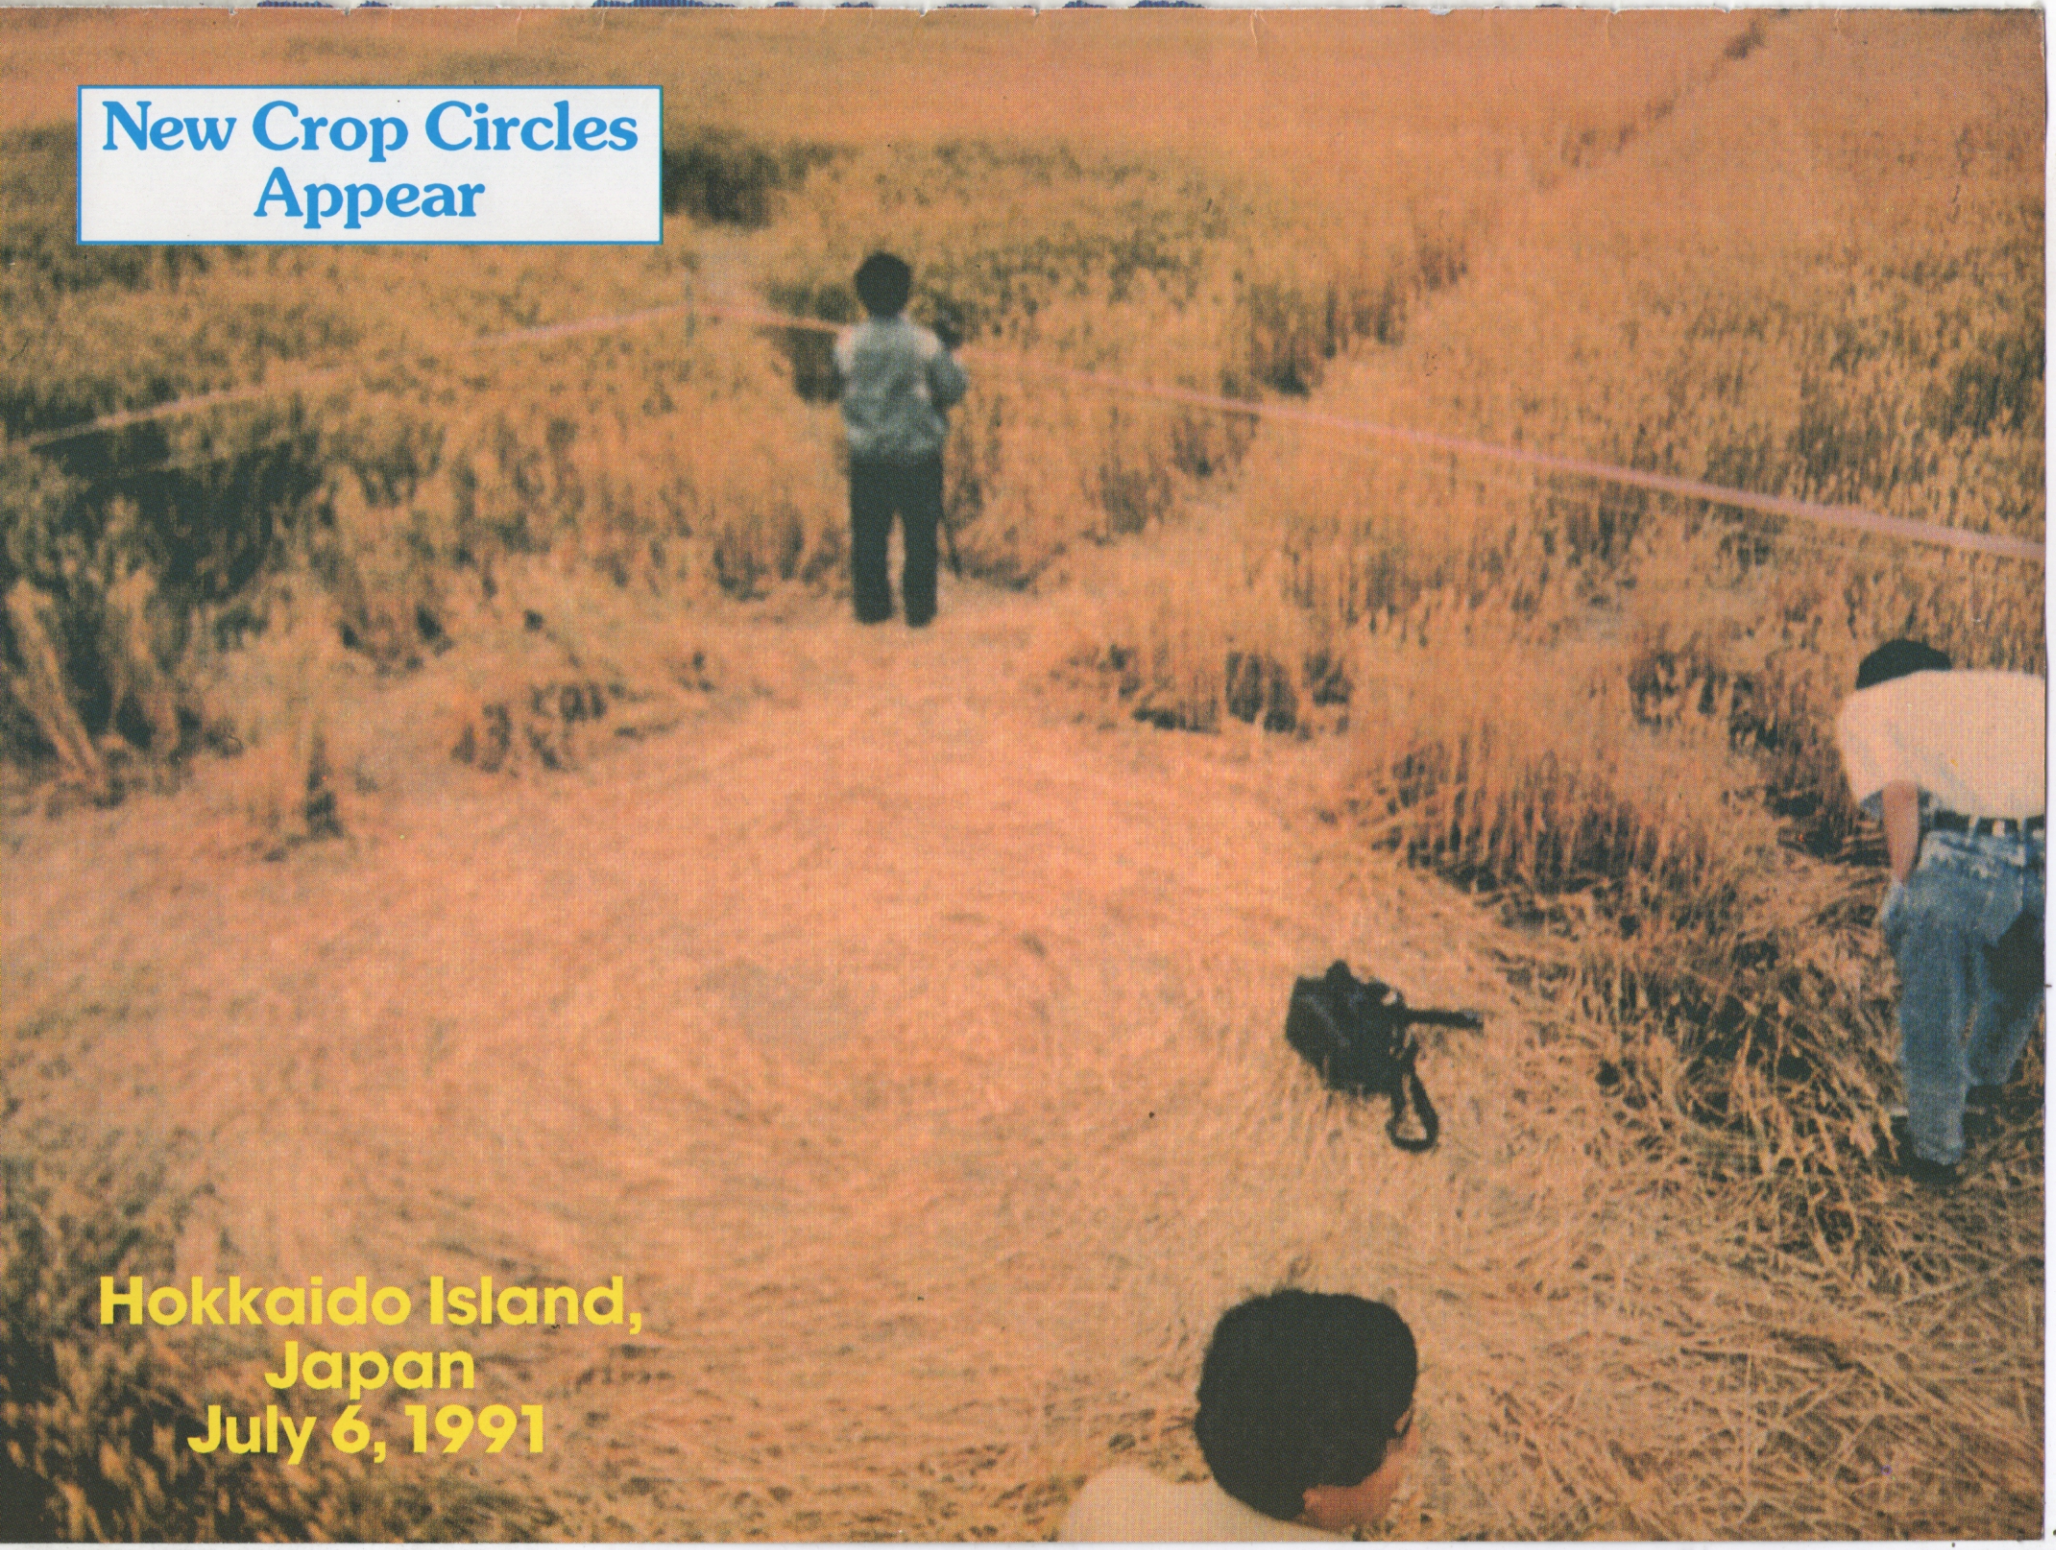
Freeze Frame of UFO Captured on Video Over Japan

by Yasuhiko Hamazaki



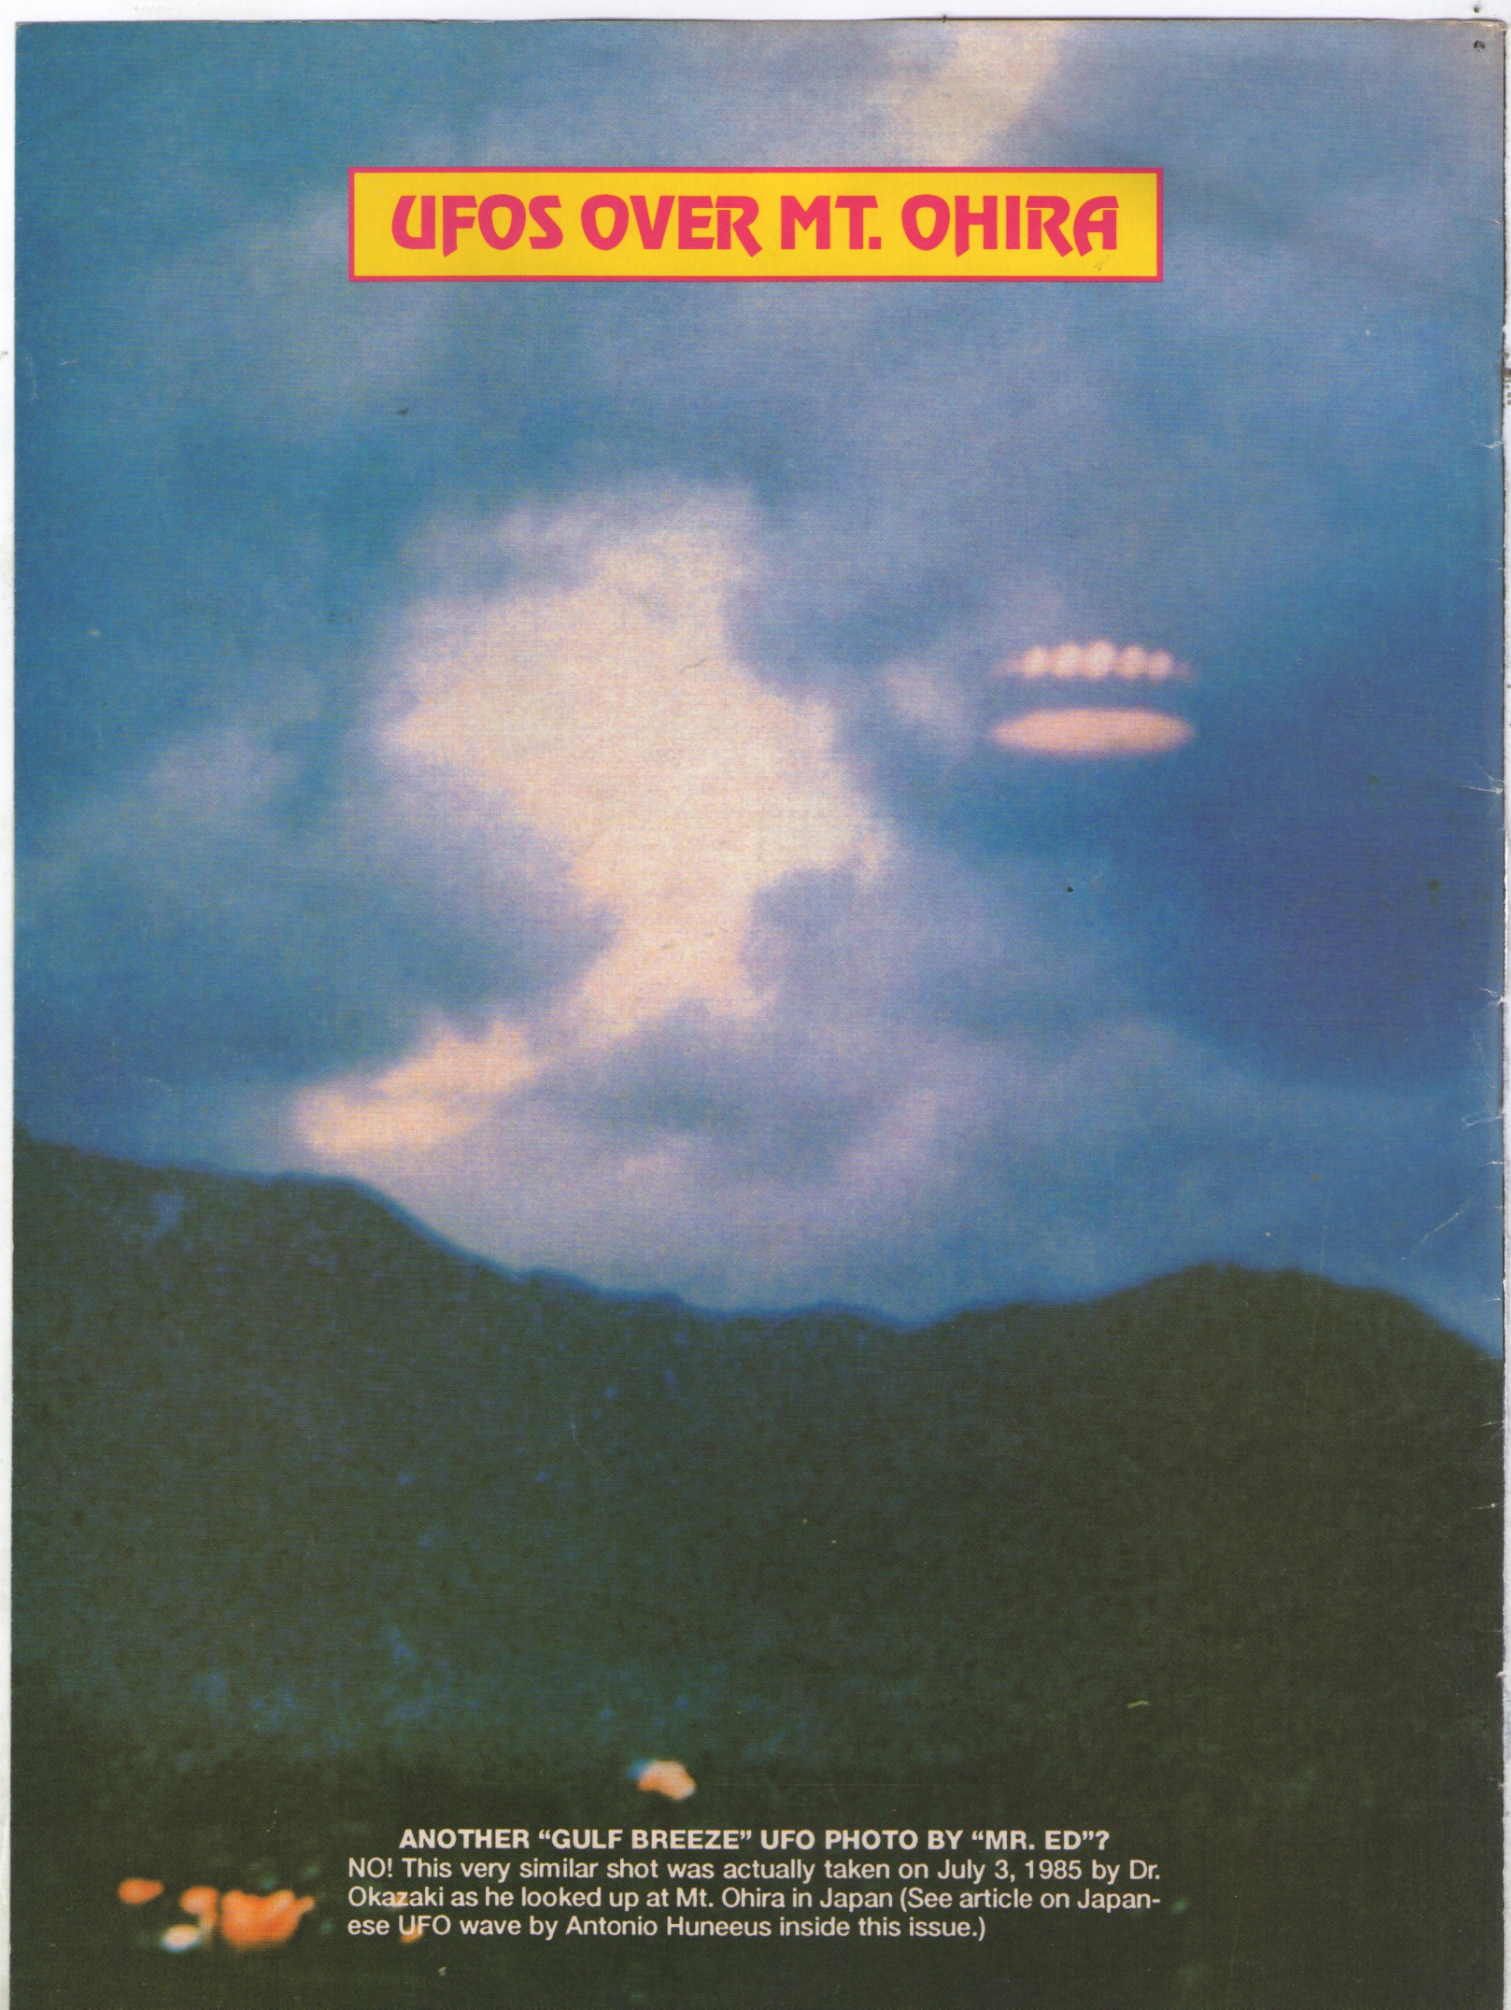
July 7, 1989

(Files of M. Fernandez/A. Huneeus)



New Crop Circles Appear
Hokkaido Island, Japan July 6, 1991

UFOS OVER MT. OHIRA



ANOTHER "GULF BREEZE" UFO PHOTO BY "MR. ED"?
NO! This very similar shot was actually taken on July 3, 1985 by Dr. Okazaki as he looked up at Mt. Ohira in Japan (See article on Japanese UFO wave by Antonio Huneeus inside this issue.)
